****Pentecost Voice/Pentecostes****

The Holy Spirit, who came on Pentecost, gave voice to the Apostles to proclaim the truth of the Gospel. The Spirit, the soul of the Church, continues to enable the Church to speak, and enables us to speak in our individual capacity. As Cardinal Elio Sgreccia, President Emeritus of the Vatican's Pontifical Academy of Life has said "The Church must speak out in today's context on fundamental rights, the right to justice, the right to peace, but above all and in the first place, the right to life. If the Church did not speak, did not proclaim the truth, it would be abandoning its duty; it would be unfaithful to society. Therefore, its precise duty is the very liberty to intervene with word, and also with example—the example of promoting human life, of intervening for the salvation of mankind."/El Espiritu Santo, que vino en el Pentecostes, dio voz a los a los Apostoles para proclamar la verdad del Evangelio. El Espiritu, el alma de la Iglesia, ayuda a la Iglesia a tener voz, y nos ayuda a nosotros a tener voz en una capacidad individual. El Cardenal Elio Sgreccia ha dicho "La Iglesia debe tener voz en los derechos fundamentals, el derecho a la justiciar, el derecho a la paz, sobre todo y en primer lugar, el derecho a la vida. Si la Iglesia no tuviera voz, no proclamara la verdad, estaria abandonando sus responsabilidades; seria ser infiel a la Sociedad. Asi que, la responsabilidad de la Iglesia es la libertad de intervenir con la palabra y Tambien con el ejemplo, el ejemplo de promover la vida humana, intervenir por la salvacion de la humanidad."
